# WHO WE ARE

**DIKAION LAW Lawyers & Consultants** is a Greece based **boutique law firm** which provides high quality legal advice tailored to **both businesses and individuals**.

Today, we have offices in **Thessaloniki** and in **Athens** while our overseas network stretches from continental Europe (The Netherlands, Luxembourg, Cyprus, Bulgaria) to the UK and Singapore.

## Our main areas of practice are:

- dispute resolution
- corporate and commercial
- shipping
- real estate
- tax and administrative law

# OUR EXPERTISE IN A NUTSHELL

- Private Wealth
- Shipping & Transport
- Real Estate
- Technology & Energy
- Tax & Administrative law

Our lawyers are also recognised for their expertise in **corporate governance, compliance, company law, patent law and international trade.**

# PRIVATE WEALTH

**DIKAION LAW** is acknowledged to be **one of the leading private wealth firms** in Northern Greece.

**We offer expert advice on:**

- wealth structuring and succession planning
- business tax planning and structuring
- the purchase and tax implications of residential and commercial property

# REAL ESTATE

Our team has a wealth of experience in all types of real estate transactions, including investment property, property development, joint ventures, property lending, relocation, business establishment and distressed property work-outs.

We are particularly well known for our comprehensive support and innovative solutions for touristic business providers, hotels and leisure operators.

Among energy renewable and development projects as well as private investors' deals, we have also acted as the exclusive lawyers in the acquisition, financing and implementation of well-known projects in Northern Greece:

- **“Tiamo Secrets”**  
villas complex | Sithonia
- **“Mount Athos Resort”**  
hotels and villas | Ierissos
- **“Maya Bay”**  
hotel | Kassandra
- **“Thassos Grand Resort”**  
luxury hotel | Thassos island

and many more.

We have proudly serviced more than  
100 real estate deals in the last 5 years  
with a combined value of 100 mil EUR.

# SHIPPING

Our shipping law practice has a proven reputation for the quality of its advice.

We are regularly instructed on **maritime casualties, cargo claims, major losses, marine insurance matters and commercial disputes arising from shipping contracts and JVs.**

We act for clients across the maritime sector including ship and yacht owners and managers, P&I Clubs, banks, shipyards, ship agents & freight forwarders, port operators, insurance underwriters and brokers to **provide a comprehensive marine legal service.**

# TECHNOLOGY & ENERGY

The technology sector encompasses a broad range of industries. Our lawyers align to these different areas through their specialist skills, which include expertise in **medical equipment, optical industry, information technology and telecommunications, manufacturing and engineering, cleantech and renewables.**

## Our clients include

- Shamir Optical Industry Ltd (Israel)
  - Union Optic S.A.
  - Essilor Luxottica
  - Zincometal S.A.
  - Siafaras Electric Systems S.A.
  - Nova Solar GmbH
  - Build Invest Bulgaria
  - Euronickel
  - Renewable Energy Communities
  - Depia Automations Solutions
  - Dust and Cream
- and many more.

# CORPORATE GOVERNANCE<sup>+</sup>

From bespoke transactional advisory support to corporate law assistance on a day-to-day basis, our corporate law and compliance team offers services tailored to clients' needs on:

- Set-up
- Corporate bookkeeping and day-to-day management
- In depth consultancy and counseling
- Regulatory Compliance

# TAX & ADMINISTRATIVE LAW

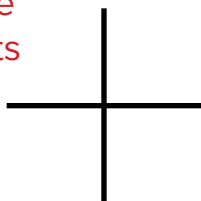

## Tax

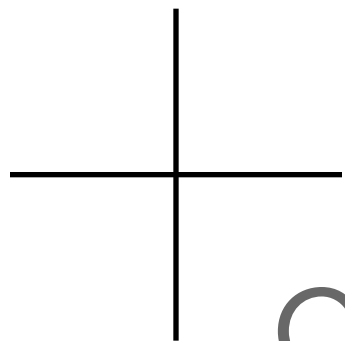

We cover all tax areas including business tax advisory & compliance and tax controversy & litigation.

## Administrative law

We are experienced in the effective resolution of administrative lawsuits as related to government agencies in Greece.

Our co-managing partner **Apostolos Mountoulis, LL.M.**, is distinguished by a history of successful administrative claim recoveries through settlements and verdicts.
